This Summers Spotlight

WHAT OUR STUDENTS HAVE BEEN UP TO

Fun in the Sun!

Our summer kicked off with the choir's trip to Port Aransas/Corpus Christi. Students swam at the beach as well the MASSIVE resort pool, played water volleyball, held a cooking competition, visited the historic U.S.S. Lexington battleship and ate some good food!

TCDA Student Leadership Day

On Friday, August 9th, our Mojo Choir Council (Officers) were pleased to attend the 2019 TCDA Student Leadership day hosted by Texas Tech University! They were guided through seminars and classes all geared towards showing how to make our program through student involvement and leadership. They look forward to sharing these techniques with the rest of the choir! (Article Below)

A word from our Choir Council President..

TCDA Leadership Day

BY ASHTON ARANDA

This summer, in preparation of the new school year our 2019-2020 Choir Council took a day trip to Texas Tech University for a leadership conference in leading their peers.

To start the conference, our officers attended a seminar led by Dr. Tim in which he challenged our students to be leaders by initiating change through fast paced exercises to get us out of our comfort zones. Dr. Tim also pushed the students to understand how leadership should be done in the order of 'why, how, what' to engage those being led.

After lunch on campus, the students had the opportunity to go through two workshops. On how to lead warm-ups and sectionals with Dr. Cruse (Associate Choir Professor - TTU). The other workshop was how to reset when dealing with stress in order to be an effective leader, as well as how to conduct music with our own, Mr. Sieloff. To close the day, the students got to talk to a panel of music majors and educators about college and life after college.

With this, our Choir Council members were refreshed and excited about sharing what they had learned and what the future has to hold in the Permian Choir department.
